

O'Connor, A. (2005) 'The competition for the Woodwardian Chair of Geology: Cambridge, 1873', *British Journal for the History of Science* 38 (4): 437-61.

The 1873 competition for the Woodwardian Professorship provides an opportunity to add to the relatively small body of work on the institutional structures and perceptions of geology in the late Victorian period, a period which was significant in the history of the discipline.
